ARAMINTA

The chairman is a self-made man, but not self-raising — Araminta takes care of that. Where he found her nobody knows, though the Managing Director would dearly like to and the Sales Manager has his suspicions. She is flawless. When she speaks she's classless. She is rumoured to be shameless — with the chairman. Otherwise she is as quiet as a mouse. No, make that a cat.

Normally of course she entertains him in her bijou flat overlooking the park, where she can keep the champagne and appliances on ice. But today he promised her she could lunch with him in the boardroom. "So it won't be a bored room, for once, eh?" But he has been delayed, he will be late — he doesn't yet realise how late. She's put up with his peccadillos and bad puns for three years and now she's found a whizkid millionaire who's only 30 years old. The Chairman doesn't know it but this is her farewell performance.

And he's missed it . . .

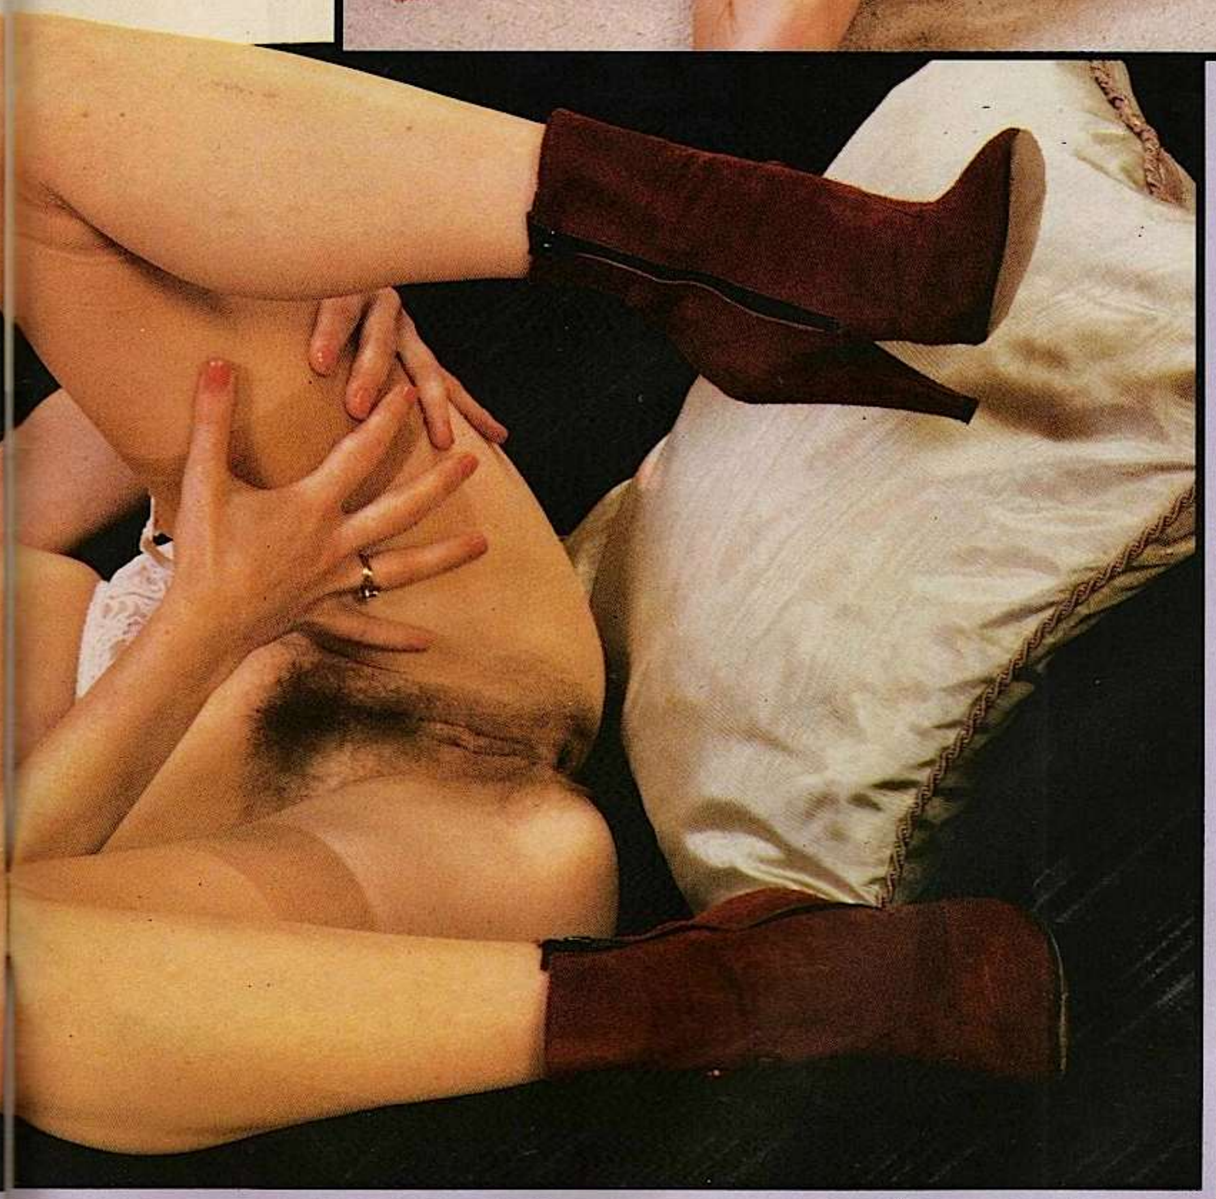
AMATEUR MODEL OF THE MONTH

Cheeky Carol paid us a visit for a hard day's modelling back in January, on a cold and frosty day which she soon warmed up, just by revealing a few glimpses of her body to us lucky scribes — and that was before she got into the studio! Carol comes from Leicestershire, land of foxes and hunting. Hunting? "Yes, I suppose you could say I get hunted more than the average fox," she murmured, with a whimsical, faraway look in her eyes. "But I *do* enjoy it. No, I don't have a steady boyfriend — I don't think a guy could cope with me for more than a week. I enjoy all the fun and games of the hunting — and, when I get caught, well, I sure as hell let myself go." So we can see . . .



A STAR FOR A DAY

Experience a little glamour under the lights and prove you're as good as our other models. As our Amateur Model of the Month you'll be the star of a photo-session shot by a professional photographer in a fully equipped studio — and with a top make-up artist in attendance. So come on girls, send us three recent pictures of yourself (preferably nude) with your name and address included. Your modelling fee will be £150 — and there's a further £25 for the enterprising photographer who brings you to our attention. Let's hear from you **now.**

''Oh, monsieur is still in 'ees bed. Nevair mind, I will dust ze room and try not to disturb 'im. 'E is very 'andsome. Eh bien, regardez moi, I 'ave forgotten to wear my knickers — I 'ope monsieur will not object if 'e wakes up. I sink maybe 'e as woken up. La! I 'ad not noticed before zat 'e was sleeping in a tent! 'Allo cheri, do you like la plume de ma tante — 'ow you say — my tickling stick? Sacré bleu, I see zat monsieur sleeps wizout 'ees clothes. Merde alor, quel grande surprise monsieur 'as for moi! Pair'aps if I lie on zis bed, monsieur would like to — 'ow you say — giff me one?'' Oh, it's all subtle stuff, you know. Good old Serge.

Constance

She's gorgeous. Oozing with confidence and sex-appeal, glowing with health and arousal, burning with ambition and desire. She takes pride in her work. Always turns up for a photosession without any underwear on. You think we jest? Exaggerate? Hope? Nope. Knickers and bras leave red marks on the skin which take ages to disappear. And in the wonderful world of wicked pictures, time is money as ever. Her body is her own, her very own, and she keeps it in perfect trim — and for very special friends. She hasn't been 'in the business' long, a few months at most, but she's enjoying it immensely. And yes, she does still get a thrill when the camera starts to flirt and flatter and fawn at her feet. Because, if we're to be honest, that's what it's all about — isn't it.

DEBORAH

You know how these models are always supposed to be expert hang gliders or wind surfers? Well, little Debs here is into far more exotic pursuits that that. You see, we caught her before she'd had a chance to be seduced by the blasé merry-go-round of the modelling world. She plays pool and cribbage for her local pub teams — *honest!* Bet no one quite as sexy has ever walked into your pub and threatened to screw back over the corner pocket? Or cried, "Two for a pair and one for his knob." But that way lies madness. Debs, on the other hand, lies this way and that, kneels occasionally, pouts, primps and preens and generally looks ravishing . . .
